WORK EXPERIENCE

2023 – Present
JustWatch, remote (headquarters in Berlin)
Editor for the Italian market
- Revising and editing articles, optimising them for SEO and Google Discover, planning publication schedules, adding pictures, and arranging our Guide's homepage highlights.

2019 – Present
Trustpilot, remote (headquarters in Copenhagen)
Translator and Copywriter for the Italian market
- Writing, translating and transcreating content for the Sales, Customer Support, Marketing and Product teams.

2021 – 2023
Underknown, remote (headquarters in Toronto)
Translator for the Italian market
- Localized voice-over scripts for the educational YouTube channels *How to Survive* and *What If*.

2019
University of Copenghagen
Project Assistant and Teacher in Games
- Taught Korean Studies students how to design and develop text-based adventure games, culminating in a Game Jam where they created their own projects under my guidance.

2017 (internship)
Officina Giovani, Prato, Italy
Web Content Writer
- Wrote content related to job offers, art contests, study & volunteer opportunities on the company's website.
- Helped out with the organisation and digital communication of events held on the premises.

EDUCATION

2017 – 2019
MSc in Games (Copenhagen)
- Studied Game Design, Game Studies (theory), Interactive Narrative and World-Building. I worked alone writing academic papers, as well as in groups developing games and prototypes.
- Worked as a Teaching Assistant for two semesters in my second year.
- Did a 6-month internship at Klassefilm, a movie & games indie company; I helped with communication and social media management related to the promotion of the game "Cosmic Top Secret".

2012 – 2016
BA in Media Studies (Florence)
- Studied History of Cinema, Television and Theatre, Linguistics, History of the Italian language, Digital Communication.

2007 – 2012
Classical Studies (Florence)
- High school diploma with a focus on Ancient Greek and Latin Culture and Languages, italian Literature and Philosophy.
